Dear Member,

It's that time of the year again, and we are kicking off our 2008 membership renewal drive. We have grown as a club and we appreciate and thank you for your support.

The time has come to keep moving forward to help achieve our mission of obtaining a trail system in this part of the state while enjoying some social interaction and club rides along the way. Needles to say, we are in need of your continued support for another year. In addition to the information below, we are also asking that all members complete the information on the back side of the form.

As a club we need to promote ourselves and one way to do this is by creating member bio's. This information will be compiled and used to show the diversity and achievements of our members to the public and governing bodies as we work toward our future goals.**
